Patch Custom Maid 3d English Translation

You'll train your very own made maid through unique events (mostly H) Custom Maid 3D Crack Game mirror mediafire zippyshare uppit.. Custom Maid 3D non RIP original game Patch 1 25 May 01, 2019 Hey, guys I'm planning to commence a translation project here despite KISS is going to release an English version of COM3D2 soon(due to demand, so don't blame KISS and also blame the HF translator for being incompetent just because they can't keep up with the updates).. ?)Text scrolling effect now works with translationsLogging and dumping is improvedYou can log different asset translation separatelyCan dump untranslated assets and texturesSubtitle supportText-to-clipboard supported internallyVR mode support; subtitles are visible with head-mounted displays.. We will be working on CM3D2 side too, so this is for the sake of both games As the name implies, this is a translation loader plug-in for CM3D2..) no longer require RegExesThis fixed some tagged translations not working (like the ones ending with.. More information in the installation guide Main featuresPatchers for Sybaris and ReiPatcherString and asset replacing (pretty much the same)Supports old assets from previous translation loaders..) 6 CPU Core i5 Quad-core 2.5Ghz or higher Berkeley Electronic Press Selected Works.

Fixed texture replacingCM3D2 VPVR supportAll strings translatable, all main UI elements replaceableTagged translations (the one containing [HF], etc.. Jul 04, 2015 KISS Game Download Custom Maid 3D for PC 18+ English ISO FIX - Custom maid 3d is really a 3d hentai video game by KISS business..
